

NICARAGUA CHRISTIAN SCHOOL COLEGIO CRISTIANO EN NICARAGUA

Jackson Christian Students Travel to Nicaragua Christian School

On March 7th, Jackson Christian school students and faculty traveled to Nicaragua Christian School for a week of work and play with the Nicaragua students and faculty. While there, they took pictures of each student for the students' sponsors.

The Jackson Christian students planned and led many fun activities for the Nicaraguan students and in preparation for nightly devotionals and the end of the week fun, they canvassed the neighborhood two afternoons inviting children to come to the devotionals and activities. There was only one canvass planned but the young people were so welcomed they asked to go out again.

One of the JCS students said "they told me they didn't have much but they were happy and grateful for what they have... that amazed me"

Another JCS student said, "their Attitudes and Spirit encouraged and inspired me to have a similar one".

What a blessing it was for me to be in Nicaragua while the JCS students were there and get to witness how much their young people speaking different languages and from very different cultures encouraged and inspired each other. As one of the chaperones put it, "all of the children and teens were singing with their heart, not worrying about anything else and I looked around and knew GOD was there."

Chaperones and faculty also participated in assisting the faculty of NCS. There were in-services held one afternoon for both preschool teachers and also grade school teachers. Educational tools were donated to NCS to help with mathematics instruction and demonstrated by teachers present during the secondary school in- service.

Thank you, Jackson Christian School, for the support and participation with Nicaragua Christian School. Your support is an inspiration and encouragement to the students, teachers, administration, and those of us here in the USA who are responsible for helping the school continue to teach for a better life here and for eternity.

Hello Brothers and Sisters in Christ. From us to you a big hug. For me it is a wonderful opportunity to be part of the beautiful Christian School in Nicaragua. (A family for Jesus Christ) 2017 has been a greatest years, despite the different difficulties has been amazing to God hand working with each persons here.

1. Spiritual educational growth in the place we have 550 students of 50 of them have been baptized.
2. Begin work together for some new goal with teachers, student and parents. But example : the new marching band. We found money with some simple and humble activities, we had profit, for do it. Was a dream do it.
3. The academic score is put us in the second place, In Leon, with our kids of high school. We want to say thank to every body that come here with love from USA. Every body that spend time in this project and donate money. Only because love God and a new future for this kids. I cant to pay back. God is going to reward you.

The dream 2018 first our God is:

1. Take ours first high school graduates.
2. The Sewing workshop. Is going to work on our uniforms.
3. Be in contact with the new generation in the college

Obstacles is sure, Luke 17:1 Jesus Christ, say yes. Is sure. But we can work together for be right and win. Like Bible say Psalms 133:1. I want to be together with you because we going to be strong and God is going to be with us. We love this project and we love you.

In Christ, Sandra Salina Directoera CCN

Sandra Salina is the director of the school and a clinical psychologist. She is doing a wonderful job directing the affairs of the school.

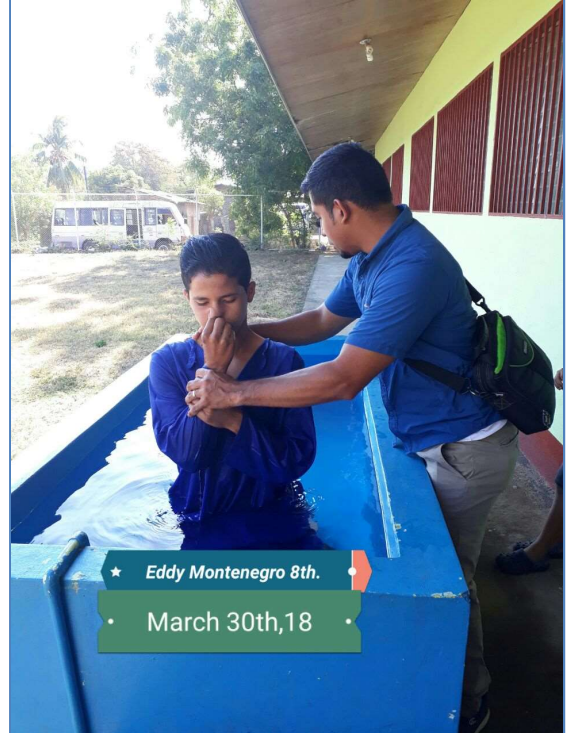

Going on a vacation is always better than simply viewing other folks' vacation pictures. The same was true of my trip to Nicaragua Christian School (NCS). I had seen the website, pictures from mission trips, and heard reports/discussions of great visits made to the school. On July 26th, I visited the school for the first time, and I was not disappointed.

Seeing the many smiling faces and hearing the laughter of both the student body and the staff was a great start to each day. I met several of the NCS staff and was impressed by their love of the children. I feel that I have several new friends, even though my inability to communicate in Spanish, beyond the most basic of phrases, kept us from talking freely.

If you do not currently sponsor a child and/or have not donated money to the school, please consider it. It's a great place! I encourage you to go and see for yourself. I have no doubt that you will come back with a deeper love for the children and the school.

Sincerely,

Jeff Simon

There have been 16 baptisms in 2018!
